# STOFFEIGENSCHAFTEN

Stoffe in höchster Qualität mit extremen Eigenschaften und einer Haptik wie ein hochwertiger Baumwollstoff, in unzähligen Farben und Designs, die sich wunderbar kombinieren lassen: Das sind unsere Premium Stoffe. Sie sind nicht nur wetterbeständig, mit einer hohen Lichtechtheit ausgestattet und chlor-, salzwasser- und schimmelresistent, sondern dank Teflon® Beschichtung pflegeleicht, atmungsaktiv und langlebig.

Sie eignen sich daher nicht nur als In- und Outdoor Polster, sondern auch als Caravan- und Bootspolster.

Einige unserer Premium Stoffe sind sogar wasserdicht.

Das Ergebnis sind langlebige Produkte, an denen man lange Freude hat.
